Dear Parents,

We have a few updates for you this week:

1. We have a meeting scheduled next week with the landlord for the potential commercial property to move forward in the zoning process.
2. We have a meeting scheduled with local church leaders this upcoming Wednesday to pursue any possible locations for the programs.
3. We received communication from the district that they are interested in providing a site for our summer camp program. Once we have definite details we will send out registration forms and more information.

Again, as we have new developments we will continue to update you. We appreciate your continued support of our staff and programs.

Sincerely,

Family Support Services Staff
