Dear Parents,

Unfortunately, this week we learned that leasing space at the Temple Lutheran Church is no longer a possibility. In addition, we have not received any new leads from our broker on potential properties. We continue to explore scenarios with our fiscal team to ensure that we make the right decision.

We are aware of the urgent need to have definitive information so families and staff can make plans for the upcoming school year. Therefore, our goal is to make a decision next week as to which programs we will be able to offer in the fall.

We sincerely appreciate your patience and your support while we explore options.

Sincerely,

Family Support Services Staff
