January 2019

Dear Families,

As we begin a new calendar year, it is time to start thinking about registration for the 2019-2020 school year. In preparation, we have been in discussions with the RTSD administration. We learned that there is a possibility that the district will start the elementary school day around 7:30 AM, which would eliminate the need for our before care program. In turn, the school day would end earlier, around 2:30 PM, which may increase the need for our after school program. If this change is made, it is not clear whether it will take place for the 2019-2020 school year or a subsequent year.

While NO final decision has been made, our goal is to be transparent with you regarding the possible changes and how you and our program may be impacted.

Because of the uncertainties, we have decided to delay our registration until May 1, 2019. Hopefully, by that time a decision will be made by the district and we will be able to provide you with a registration form that reflects any changes. If the school board has not made a final decision by then, we will still have families register however, we will need to make adjustments at a later date.

As we move through this process, we will keep you abreast of any new information. Should you have any questions or concerns, please feel free to contact us at [fss-childcare@elwyn.org](mailto:fss-childcare@elwyn.org) and we will do our best to assist you.

Thank you for your continued support.

Sincerely,

Family Support Services
